Quality

We design and build your Ford to feel as good after many years of service as it did the day you picked it up. And to drive just as beautifully, too.

Green

Using advanced technology, we're committed to creating vehicles with improved fuel economy, reduced CO₂ emissions and a lower overall cost of ownership.

Safe

Ford's Intelligent Protection System uses sophisticated technology designed to help prevent an accident and, if one should happen, to help protect you.

Smart

Vehicles with smart, intuitive technologies designed to connect you to your world and many clever solutions that make life a little easier.
